VOLUNTARY CONTRIBUTION – Karridale Primary School P&C

Why your P&C contribution is so important

We are asking for a small contribution from each family to help the P&C cover our affiliation costs with WACSSO (WA Council of State School Organisations Inc), and to enable to P&C to run and provide resources and support to the school. By doing your part you can help the P&C continue its valuable work. Contribute a small amount, just \$15 per family, to help our children access better resources and services.

Please find enclosed my voluntary P&C contribution of \$15.
